November 16th through November 22nd is Winter Weather Preparedness Week in Illinois and Indiana

As cold and snow begin in earnest across Illinois and Indiana, the National Weather Service, FEMA, IEMA, Indiana Department of Homeland Security, Illinois and Indiana State Police, Illinois and Indiana Departments of Transportation and American Red Cross are encouraging everyone to begin preparing now for the cold and snowy months of winter. Let's do our part to lead us toward a Weather Ready Nation.

The Chicago National Weather Service office will issue daily Public Information Statements (PNS) that will contain the following information:

- Monday: Winter Hazards
Tuesday: Outdoor Safety
Wednesday: Winter Preparedness
Thursday: Winter Fire Safety
Friday: Winter Weather Travel Safety
Saturday: Winter Weather Reporting

Information will be on NOAA Radio, NWS websites, and NWS Facebook/Twitter pages.
